

Quality Policy

South Pacific Scaffolding Ltd. has established a company-wide culture dedicated to providing the highest quality services.

Our team brings exceptional skills and dedication to every scaffolding job, delivering reliable, safe, and high-quality solutions that keep our clients satisfied.

We are committed to:

- Execute projects in conformance with all contractual requirements specified by the client;
- Execute projects in alignment with ISO 9001:2015, legal requirements, and any relevant industry best practice;
- Take a value-based approach to business activities;
- Investing in high quality and fit for purpose equipment; and
- Work towards continuous improvement.

The objectives framework we will use to pursue this commitment is:

- Monitor the quality throughout the execution of our services, by establishing inspections to check the meeting of requirements;
- Encourage the team to deliver the highest quality standards and minimise issues;
- Ensure suppliers and subcontractors are competent for work and understand the project requirements; and
- Provide staff with adequate advice, information, education, training and suitable supervision.
